On sunny periods the outside blends with the inside, the light and the shadows play like an artist canvas. The style most dramatic part of this mansion is the spacious outdoor living area with glass roof and electric sculptured lattice shutters which play with ever changing quality of light/shade from roof and front part separating the garden without taking away the sea view.
Entering the ground floor, the massive entrance door give the sense of proportion that is kept throughout this Mansion, there is a long corridor/gallery connecting the east wing with the tremendous living area and the study to the west wing’s dining area. Sliding doors separating the dinning and the spacious kitchen with top of the line equipment and behind the kitchen the Wet Kitchen made of Stainless steel, a walk- in freezer, larder room, separate laundry room with also top of the line machinery for utilities, beside the designed guest wash room.
The main rooms, decorated with the nicest “Georgetti” furniture, and kitchen all have access to outdoor with certain areas having the Barragan specific strong colors. Bright walls accent the space on the terraces near the
” Koï “pond and the sun protected outside BBQ area which connects to a split level garden with fountain, and strong color wall surrounding, and protected to wind and total privacy, the infinity swimming pool with stunning “SICCIS” mosaic, IPE wooden terrace and Mexican style hut.
The upper floor consist of all the 5 bedrooms with ensuite bathrooms each properly designed with refreshing ideas and little surprises. The east wing reserved for The Master quarter consist of the bedroom with panoramic window to the sea, rising TV screen in front of the bed, ensuite bathroom with terrace and outside shower. The walk-in closet custom designed with wood cabinets. There are security doors and secret separation for children’s safety.
