Description

Exclusive building lot in a prime location within La Reserva, Sotogrande: Set on 3,008 m², this lot offers one of the highest vantage points in the resort, with spectacular panoramic views stretching all the way to the Mediterranean Sea.

The gently sloping terrain is ideal for building a modern luxury villa with seamless transitions between indoor and outdoor spaces. An approved building permit for up to 900 m² offers ample creative freedom for a custom living concept.

Thanks to its elevated position and lateral distance from neighboring properties, maximum privacy and unobstructed views are guaranteed.

One of the last available lots of this kind—a rare opportunity in one of Southern Europe's most sought-after locations.

Optional: Architectural design and project management available.
